

# Starter Set Shutter Control

Product ref.: 151670A0

## Product features

- Starter set for comfortable control of shutters and awnings
- The Access Point connects the smartphone via the Homematic IP cloud with all Homematic IP devices
- The shutter actuator for brand switches controls all standard tube motors for shutters and awnings
- Easy operation via the Homematic IP app, Homematic IP Remote Control or directly via the push-button rocker of the switch
- With individually configured week profiles, shutters/awnings can be raised and lowered in a time-controlled manner
- Comfortable control dependent on sunrise and sunset
- With the appropriate adapter, the shutter actuator can be integrated into the most popular switch designs of leading manufacturers (e.g. Busch-Jaeger, Gira, Merten, Berker, Jung, düwi, Kopp) (please order separately)
- Highly reliable radio protocol based on 868 MHz
- High security thanks to comprehensive AES encryption and server location in Germany – requires no personal data
- Comfortable and individual voice control (e.g. via Amazon Alexa or Google Assistant)
- The starter set shutter control can be expanded into a comprehensive smart home system at any time together with various different Homematic IP devices
